Homework

Your child is expected to do approximately 30 minutes of homework per day for Grade 3 and 20 minutes for Grade 2, plus 20 minutes of reading in French and English.

Unfinished daily work is also expected to be finished for the following day. Please communicate to me in the agenda if homework was not completed as it may happen sometimes.

Our daily homework is as follows:

Monday: Problème de la semaine

Tuesday: Calligraphie

Wednesday: Dictée, Grammar activities

Thursday: Minute Folle

Friday: Math

I feel that this year will be an exciting, and rewarding learning experience for all of us. As partners in your child's education, it is very important that we exchange information on a regular basis. This exchange will be done through the agenda which I would encourage you to read and sign every day. If you have any questions or concerns or if you would like to visit our classroom, schedule a conference, or volunteer to help out, you can contact me at (905) 770-6507 extension 215. I will return your call as soon as possible.

Thank you for your cooperation and support at home.

Once again, welcome to our class. Let's work together to make this the best year ever! Looking forward to meeting you on Curriculum Night, Thursday October 1, 2009.

Have a great rest of summer!

Mme Karchevskaya, OCT.
