Grade 3 News

Welcome back! I hope you had a very restful winter holidays!

Your child got an assignment for our Science unit. He/she has to build a propeller that moves with a stored energy of elastic. If you turn the elastic many times and then you let it go, the object attached to the end of elastic (propeller) will also turn. Please see the assignment papers of your child. The due date is Friday, January 22nd.

On Wednesday, January 13th we will have a visit from "Scientists in a school". We need three parent-volunteers for this event. Please, let me know on a tear-up part of this letter if you are available to help us on this date.

Please, don't forget to visit class website:

www.class.karchevskaya.ca

Over the past few weeks we have concentrated among others things on:

French:

Reading task:	"Alpha-jeune"
Grammar:	Adjectifs
Cursive writing:	letters 'b', "B"
Writing:	narratif
Dictée:	Sound "E"

Math:

Data Management

Science:

Stability

In Communication Binder:

This Friday, January 8th, you will find in your child's Communication Binder: two dictées. Please sign and send them back to school on Monday, January 11th.

For the next few weeks we are planning to do:

French	Verbs "Avoir", "Etre"
Math	Number sense
Science	Forces and Movement

Child Name _____

Parent Signature _____

Date _____

Thank you very much for your continuing cooperation.

If you have any questions or concerns, do not hesitate to contact me. I check all my messages several times a day.

Mme Angelica Karchevskaya.
